

Nutman

Neo

Some voice has called me
Blew away my mind
Some people warned me
I think they're blind I travel through peculiar places
Listen to the rythm of the storm
I'm runnin' with untied laces
Watch me I never fall Am I losing all I have?
No, (I lose) nothing! Wonder if you go there
Wonder what you know
Wonder if you ever cared
No wonder if you don't... Wonder if you're sober
Wonder if I'm stoned
Wonder if you ever dared
No wonder if you don't... Buzz like a king-bee
Thoughts in my mind
I'm feeling so free
See what I've found I travel through peculiar places
Listen to the rythm of the storm
I'm runnin' with untied laces
Watch me I never fall Am I losing all I have?
No, (I lose) nothing! Wonder if you go there
Wonder what you know
Wonder if you ever cared
No wonder if you don't... Wonder if you're sober
Wonder if I'm stoned
Wonder if you ever dared
No wonder if you don't...
