

Mine Is Yours to Drown In (Ours Is the New Tribe)

Anathema

We smothered in life
Listen, listen, listen
The written word will devour you
And burn your mind
Im burning your mind
I am entering your soul
My promise to love and caress you
Mirrors desting and breathes the universe
Before Tomb.....
(Regression)
Taste me
Let the angels wings close
And shield you
I bleed for you
In the shadows and the recesses
Youll find dark
Yearn (me)
From the dark all is revealed
Light sheds through
Bleed with me
We will share the light and dark
Together and more
