

# Super Duper

## Big Block Singsong

Super Duper â€“ by Big Block Singsong

I am Super Duper Stan, Iâ€™m a Super Duper Man doing everything I can to be Super. Nothingâ€™s better than, being Super Duper Stan, keeping it Super Duper.

Hey hey, look at my skills, lifting up a school bus, jumping over hills,  
Whoa-oh, whao-oh, Iâ€™m the fastest of fellas, flying through the skyâ€™s making airplanes jealous.

I keep the skyâ€™s supervised! Hey Birds. Looking around with my x-ray eyes. Everythingâ€™s safe, spread the word.

Although, itâ€™s no surprise, Iâ€™m super duper, Iâ€™ve got the disguise. Otherwise, Iâ€™m just one of the guys,  
Yup.

Without my costume, it would be tragic! I mean think! What would I do with all of my Super Duper fabric?  
Make curtains?!!

I am Super Duper Stan, Iâ€™m a Super Duper Man doing everything I can to be Super.  
Nothingâ€™s better than, being Super Duper Stan, keeping it Super Duper.

My power didnâ€™t come from a Bug. Or a Bat, or a Bird. Iâ€™m not radioactive, thatâ€™s ridiculous! I was born S

I can climb this tower if you need more proof, I actually grow flowers in a garden on the roof. I can swim like a fish, youâ€™d think that I had gills! I am faster than a train even going up hills!!

I am Super Duper Stan, Iâ€™m a Super Duper Man doing everything I can to be Super.  
Nothingâ€™s better than, being Super Duper Stan, keeping it Super Duper.

Hey hey, when Iâ€™ve feel Iâ€™ve done my best, I head home, for a Super Duper rest. Put on my Super Duper Slipper, put my cape away, and think to myself, What a Super Duper DAY!!!
