

# Caress

## Deftones

Gracie, we're makin babies, yea, we're barefoot on the tiles\*  
We make 'em soft and small and tender, it's the biggest hazard of your gender  
Gotta hold it by yourself  
Gracie, hold yourself together, it's bad now but it gets better  
We're all here to help  
Everything is swollen, everything is swell... everybody's watching  
They all wanna see it kick  
Pleasure is your crime, junior is your punishment  
Happens all the time, everybody rub it in.  
It ain't hard to find fault in any thing you do,  
We learned to love the hard way, you're gonna learn it too.
