

# All The Lovers (Cucumbers Snow Retouch)

## Kylie Minogue

Dance, it's all I wanna do, so won't you dance?  
I'm standing here with you; why won't you move?  
I'll get inside your groove 'cause I'm on fire, fire, fire, fire  
It hurts when you get too close, but, baby, it hurts  
If love is really good, you just want more  
Even if it throws you to the fire, fire, fire, fireAll the lovers that have gone before  
They don't compare  
To you  
Don't be frightened  
Just give me a little bit more  
They don't compare  
All the loversFeel--can't you see there's so much here to feel?  
Deep inside in your heart you know I'm real  
Can't you see that this is really higher, higher, higher, higher?  
Breathe--I know you find it hard, but, baby, breathe  
You'll be next to me; it's all you need  
And I'll take you there; I'll take you higher, higher, higher, higherAll the lovers that have gone before  
They don't compare  
To you  
Don't be frightened  
Just give me a little bit more  
They don't compare  
All the loversDance, it's all I wanna do, so won't you dance?  
I'm standing here with you; why won't you move?  
Even if it throws you to the fire, fire, fireAll the lovers that have gone before  
They don't compare  
To you  
Don't be frightened  
Just give me a little bit more  
They don't compare  
All the lovers
