

# With Light and With Love

## Woods

Where is the heart  
I walk with love,  
Death brings us close  
Death brings us ghost  
With light and with love  
Tell me what to doUuuu uuuuh uuuuh  
Uuuu uuuuh uuuuh  
Uuuu uuuuh uuuuh  
Coming up strong,  
don't know what to do!  
If things go wrong, tell me what to do  
A hell by its own,  
Still I hold you dear  
You remember me!Seen from the start the little love we part  
Welcome to??  
I don't walk with love  
Death brings us close  
Death brings us ghost  
With light and with love  
Tell me what to do!  
Coming up strong,  
don't know what to do!  
If things go wrong, tell me what to do  
A hell by its own,  
Still I hold you dear  
You remember me!
