

# Weakling

## Dentist

i don't feel pain  
i never escape  
i'm under the bed  
i'm licking the floor  
i never dream  
this isn't real  
not real [x2]  
you know everything  
i forgot how to breathe  
you're touching my chest  
when i'm touched i bleed  
i never dream  
this isn't real  
not real [x2]
