

On The Road Again

Willie Nelson

One, two
One, two, three, four On the road again
Just can't wait to get on the road again
The life I love is making music with my friends
And I can't wait to get on the road again On the road again
Goin' places that I've never been
Seein' things that I may never see again
And I can't wait to get on the road again On the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world keep turning our way and our way Is on the road again
I just can't wait to get on the road again
The life I love is making music with my friends
And I can't wait to get on the road again On the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world keep turning our way and our way Is on the road again
Just can't wait to get on the road again
The life I love is making music with my friends
And I can't wait to get on the road again
And I can't wait to get on the road again
