

# Truth

Gwen Stefani

I really don't wanna embarrass myself  
And no one's gonna believe me, not even myself  
And they're all gonna say I'm rebounding, so rebound all over me  
'Cause I don't want nobody else  
And I know we said we're gonna live in the moment  
And that's how good, that's what we agreed, I know it  
And every day I believe in you and me more and more  
That is crazy, that's for sure, whipped Thank you for saving me, I can't believe it  
Thank you So this is what the truth feels like  
This is more of what I had in mind  
Yeah this is what the truth feels like  
And I'm feeling it, I'm feeling it  
Something about this just feels so right, alright  
Something about this just feels so right, alright  
So this is what the truth feels like  
And I'm feeling it, I'm feeling it Oh it's unexplainable and it's so weird  
Woah it's so strange, confusing and I'm so scared  
But maybe I deserve this boy after all that I've been through  
How can all of this be true? Swear Thank you for saving me, I can't believe it  
Thank you So this is what the truth feels like  
This is more of what I had in mind  
Yeah this is what the truth feels like  
And I'm feeling it, I'm feeling it  
Something about this just feels so right, alright  
Something about this just feels so right, alright  
So this is what the truth feels like  
And I'm feeling it, I'm feeling it I'm feeling it  
I never knew I'd know someone like you  
I never knew I'd know someone like you, I knew  
I never knew I'd know someone like you So this is what the truth feels like  
This is more of what I had in mind  
Yeah this is what the truth feels like  
And I'm feeling it, I'm feeling it  
Something about this just feels so right, alright  
Something about this just feels so right, alright  
So this is what the truth feels like And I'm feeling it, I'm feeling it
