

Hard To Say Goodbye

John Truscelli

John Truscelli - Hard To Say Goodbye Lyrics:

Love life its all your own one day your here then your gone you were an angel to me setting me free on my own
and its hard to say goodbye yea its hard to say goodbye yea its hard to say goodbye i will leave you here tonight
time says that we must move on we must be strong till the end you will be here in my heart until we meet again
but its hard to say goodbye yea its hard to say goodbye yea its hard to say goodbye i will leave you here tonight.
