

Spreading Ashes Upon 29th Street

Vonrenzo

Ashes please, tell me what are you, waiting for
You've been held down here for so long
Ashes please, tell me what are we, searching for
I'm always here, I'm never destination
For where I think I am...
I don't want to feel this way, I don't want to fear this pain
I don't want to hear you say... 'We're Ashes'
Ashes please, tell me what are you, longing for
There is nothing worse than holding on
Ashes please, won't you tell me what are we all destined for
If I am using you for validation
For who I think I am...
I don't want to feel this way, I don't want to fear your face
And I don't want to hear you say...
I still kiss your mouth, oh, now tell me is this heaven
Or I am dreaming to myself when
The last time that I saw your face
Talking about tough love, and I'm deceiving
Fuck that, I want to die beside of you
Going no where, feeling closer
God, I still feel the same, I found love in your face
I just wanted you to stay,
So I'm never saying forever, ever again
So whenever, I'll be yours however, I already am.
But why?
