Shining Star

Earth, Wind & Fire

Yeah, heyWhen you wish upon a star
Ya dreams will take you very far, yeah
When you wish upon a dream
Life ain't always what it seems, oh yeahOnce you see your light so clear, hey
In the sky so very dear, yeahYou're a shining star no matter who you are
Shining bright to see what you can truly be
That you can truly beShining star come into view
Shine is watchful light on you, yeah
Gives you strength to carry on, yeah
Yeah make your body big and strong, yeahOn an adventure of the sun, yeah
Yeah it's all awake and just begun
Yeah, thought I had to stir the mood, yeah
That's it now I got my own, oh yeah, oh yeahSo if you find yourself in need
Why don't you listen to his words of heat
Be a child free of sin
Be some place, yes I canYou're a shining star, no matter who you are
Shining bright to see what you can truly beYou're a shining star, no matter who you are
Shining bright to see what you can truly beYou're a shining star, no matter who you are
Shining bright to see what you can truly beShining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
