

Sex Ain't Love

Madam Adam

Outta box and the top can't be lifted
What am I to do, I gave you anything
I'll give you anything...
Heaven sent but the price isn't worth it
Though it's not enough, I gave you anything
I gave you...Sex ain't love and I'm not complaining
I think that love is over-rated
Sex ain't love and I kinda like it
Let's not make it too complicatedWe're in the dark, yeah it's too dark to notice
Where you've got me now, can you see my face?
Can you see my face?
Still around though I don't know the reason
Why I gave you all, I gave you everything
I gave you...Sex ain't love and I'm not complaining
I think that love is over-rated
Sex ain't love and I kinda like it
Let's not make it too complicatedOne kiss, my lord
Your sex is what, what I'm on
Your sweat, so sweet, too good to be true
It's just a fantasyI can bend, I can break
But there's just so much I can takeSex ain't love and I'm not complaining
I think that love is over-rated
Sex ain't love and I kinda like it
Let's not make it too complicatedOne kiss, my lord
Your sex is what, what I'm on
Your sweat, so sweet, too good to be trueIt's just a fantasy
It's just a fantasy
