

# Anytime, Anywhere

Seth MacFarlane

You could leave tomorrow  
Fly to Mandalay  
Darling I would love you anyway  
I just couldn't help but care  
Anytime, anywhere You can keep me waiting every single day  
I'll be there to meet you anyway  
You make life a love affair  
Anytime, anywhere Why should I lie and pretend I don't belong to you  
Why even try when it makes no difference what you do  
I'll be true Take my heart completely  
Treat me as you may  
I am yours forever anyway  
All I have is yours to share  
Anytime, anyplace, anywhere. Take my heart completely  
Treat me as you may  
I am yours forever anyway  
All I have is yours to share  
Anytime, anyplace, anywhere.
