Close Your Eyes

Liza Minnelli

Ladies and gentlemen - Liza MinnelliYes
Say yes
Life keeps happenin' every day
Say yesWhen opportunity comes your way
You can't start wonderin' what to say
You'll never win if you never play
Say yesThere's?...? and Marigold right outside
And warm white Cadillacs you can ride
Nothin's gained if there's nothin' tried
Say yesDon't say why
Say why not
What lies beyond what is, is not
So what, say yes...Yes I can, yes I will
Yes I'll tinker, said yes I'll touch
Yes of cause, yes how nice
Yes I'll happily, thank you very much
Yes, oh-oh, Yes...YesThere's lots of chaff, there's lots of wheat
Yes
You might get mugged as you walk the streets
But on the other hand you might reach
That handsome stranger you've longed to meet
Say yes...Yes I'll look, yes I'll walk
Yes I'd love to do such and such
Yes I'll try, yes I'll dare
Ye-es I-I'll fly, ye-es I- I'll shareAnd yes I am, and yes I'll be
And yes I'll go...
Oh Yes...
Yes
