Head Unbound

Auf Der Maur

Fall around the fire,
And I, fall around the fire
A higher me for you,
Hire me for youFall around town, down
For the rest of the world to drown
For you'll come down
To the rest of your falling down,
On your headFalling down
With your head unbound
I'm falling down
Down to your groundFall around town, down
For the rest of the world to drown
For you'll come down
To the rest of your falling down,
On your headAnd I said you could hurt me
No more,
With your heart on the floor
I said you could hurt me no more
To the rest of the world it's sureThat you will hurt me no more
To the rest of the world,
You're surely hurting moreI'm falling down
Downtown to your ground
