

That's All I Ask

Jeff Buckley

(h.ott)

Originally performed by nina simone. jeff often performed it live.

Nobody nobody nobody nobody knows

How deep my love for you really goes Don't try to blow out the sun for me

I'm not hopin' for what I know can't be

All that I ask is for a smile or two

Nothing in this world could be too good for you I wouldn't ask you to lift up this great big world

Yes I know you're not that kind of a girl

All I ask is for a kiss each day

I'll give you love that can never blow away Yes I will Nobody nobody nobody nobody knows

How deep my love for you really goes

And I want you to know

I wouldn't ask you to hold back the light of dawn That's just a little too much to ask of anyone
