

It's Johnny's Birthday

George Harrison

It's Johnny's birthday
It's Johnny's birthday
And we would like to wish him all the very best
It's Johnny's birthday
It's Johnny's birthday
And it's so good to have you back so be our guest

On Johnny's birthday
On Johnny's birthday
We wish you all what you would wish yourselves
It's Johnny's birthday
It's Johnny's birthday
And it's so good to have you back amongst the shelves
