

Hank to Hendrix

Neil Young

From Hank to Hendrix, I walked these streets with you
Here I am with this old guitar doin' what I do
I always expected that you should see me through
I never believed in much but I believed in you
Can we get it together? Can we still stand side by side?
Can we make it last like a musical ride?
From Marilyn to Madonna I always loved your smile
Now we're headed for the big divorce California-style
I found myself singin' like a long-lost friend
The same thing that makes you live can kill you in the end
Can we get it together? Can we still stand side by side?
Can we make it last like a musical ride?
Sometime it's distorted not clear to you
Sometimes the beauty of love just comes ringin' through
New glass in the window, new leaf on the tree
New distance between us, you and me
Can we get it together? Can we still walk side by side?
Can we make it last like a musical ride?
