Within

[Daft Punk](#)

There are so many things that I don't understand
There's a world within in me that I cannot explain
Many rooms to explore but the doors look the same
I am lost I can't even remember my nameI've been for sometime, looking for someone
I need to know now, please tell me who I am
I've been for sometime, looking for someone
I need to know now, please tell me who I amThere are so many things that I don't understand
There's a world within me that I cannot explainMany rooms to explore but the doors look the same
(Where are the locks to the key)I am lost I can't even remember my name
(And I wondered why)I've been for sometime, looking for someone
I need to know now, please tell me who I am
I've been for sometime, looking for someone
I need to know now, please tell me who I amI've been for sometime, looking for someone
I need to know now, please tell me who I am
I've been for sometime, looking for someone
I need to know now, please tell me who I am
