Uuh yeah

Goddamn, body smokey

Pass her to me

Fitted-pants, tight-top

That's a fake sassy to me

This' a different typa party

Book a table for three and buy a mattress for three

(Book it, book it)

You and your girl just came outta the closet

I'm happy for me

It's seven digits on receipts now

The money coming like a breeze now

The money calls me on repeat now

I let the Uber man eavesdrop

I got my riches from Africa

I'm the Coolest Kid in Africa, boy

I'm as humble as an amateur

Get up and pray and get the money afterwards (church)

Pockets never been deeper

Bitches never been shallower

If I throw a couple Geez up

And she'll prolly let my shadow fuck

And, she'll do it for a half a nut

She ain't take it to the reap

I EFT my plug a tip

And he delivers to the crib, yea[Hook: Davido]

Mi o fe mo n'pa any daddy

I pray to God say I go make am, ehhh

She dey feel the bass wey dey make the girls shake am, ehh-eh

If you fuck around, you go make my guys ginger ooh[Post-Hook: Davido]

I be making and spending the owo

Mehn, I be balling the owo, balling the owo

Never be saving the owo, I be uploading the owo

Getting the owo, and I go take your Iyawo

Mehn, I go take your Iyawo, take her to Guamo

Mehn, I go changey her life, put some owo in her life, ehh

I be making and spending the owo

Mehn, I be balling the owo, balling the owo

Never be saving the owo, I be uploading the owo

Getting the owo, and I go take your Iyawo

Mehn, I go take your Iyawo, take her to Guamo

Mehn, I go changey her life, put some owo in her life, ehh[Outro: Davido]

Mi o fe mo n'pa any

I pray to God say I go make am

She dey feel the bass wey dey make the girls shake am
If you fuck around, you go make my guys ginger ooh
