I Believe

Spain

Could it be
That no one else
Could make me see
Could make me trustGirl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to beCould it be
You feel so right
You made me see
Day comes from nightGirl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to beGirl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to beNow I know
This love was meant to be
