

# I Believe

## Spain

Could it be  
That no one else  
Could make me see  
Could make me trust  
Girl you know now I believe  
    Girl your love  
    Has taken hold of me  
    Now I know  
    This love was meant to be  
    Could it be  
    You feel so right  
    You made me see  
Day comes from night  
Girl you know now I believe  
    Girl your love  
    Has taken hold of me  
    Now I know  
This love was meant to be  
Girl you know now I believe  
    Girl your love  
    Has taken hold of me  
    Now I know  
This love was meant to be  
Now I know  
    This love was meant to be
