

No Resolve

Alvarez Kings

You love to be adored
Love lost and no resolve
I can't give what I can't afford
Love lost and no resolve
Watch it burn watch it dissolve
Love lost and no resolve You don't love me
You love to be loved
And I just give, give, give
But I've got nothing more
Watch it die watch it evolve
Lose lost and no resolve Restless love, remind me of
The truth I'm without you
Reckless eyes you'll recognize
I'm still in love with you
It's all true
It's all true
It's all true
It's all true The ship sailed from your heart
Was it the distance home?
Or miles apart?
Watch it sink, watch it fall
Love lost and no resolve
Restless love, remind me of
The truth I'm without you Reckless eyes you'll recognize
I'm still in love with you
It's all true
It's all true
It's all true
It's all true I often dreamt we'd co-exist
Our worlds collide and do not fit
Life's too short to live regrets
My heart's still beating in my chest for love Restless love, remind me of
The truth I'm without you
Reckless eyes you'll recognize
I'm still in love with you I often dreamt we'd co-exist
Our worlds collide and do not fit
Life's too short to live regrets
My heart's still beating in my chest for love It's all true
It's all true

It's all true
It's all true
