

Impressive Instant

Madonna

Universe is full of stars
Nothing out there looks the same
You're the one that I've been waiting for
I don't even know your name I'm in a trance
I'm in a trance Cosmic systems intertwine
Astral bodies drip like wine
All of nature ebbs and flows
Comets shoot across the sky
Can't explain the reasons why
This is how creation goes I don't want nobody else
All the others look the same the same
Galaxies are sliding into view
I don't even know your name I'm in a trance
And the world is spinning
Spinning baby out of control
I'm in a trance
I let the music take me
Take me where my heart wants to go I'm in a trance
And the world is spinning
Spinning baby out of control
(I'm in a trance)
I let the music take me
Take me where my heart wants to go Kiss me
Kiss me
Kiss me
Kiss me I like to singy singy singy
(Like a bird) On a wingy wingy wingy
I like to rhumba rhumba rhumba
Dance to a samba samba samba (I'm in a trance)
And the world is spinning
Spinning baby out of control
(I'm in a trance)
I let the music take me
Take me where my heart wants to go (I'm in a trance)
And the world is spinning
Spinning baby out of control
(I'm in a trance)
I let the music take me
Take me where my heart wants to go Trance

(I'm in a trance)
Universe is full of stars
Nothing out there looks the same
You're the one that I've been waiting for
I don't even know your name
