

Save The Day

Selena Gomez

Kiss the moon goodbye
But don't close your eyes, your eyes
It's the end of the night
But the beginning of time, for you and I
I can't believe that my body's still moving, I
It makes me feel like we're doing something right.
Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you keep my heartbeat skipping
When you touch me even though the time is ticking away
Just tell me it's not over
And we'll never reach the end.
But when the night starts slipping away,
Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
Yeah we're still wide awake
Got me losing my mind, my mind
No, it's never too late,
Put your lips on mine
In the burning sunlight, I
I can't believe that my body's still moving, I
It makes me feel like we're doing something right.
Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you keep my heartbeat skipping
When you touch me even though the time is ticking away
Just tell me it's not over
And we'll never reach the end.
But when the night starts slipping away,

Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
Eh, oh eh, oh eh, oh eh, ah ah ah ah ah, ah ah ah ah ah (2x)
Eh, oh eh, oh eh, oh eh, oh eh, oh eh, oh eh, oh eh Kiss the moon goodbye
But don't close your eyes, eyes, eyes
Baby when the night starts slipping
When the night starts slipping
When the night starts slipping away
Boy you get my heartbeat skipping
When you touch me even though the time is ticking away
Just tell me it's not over
And we'll never reach the end.
But when the night starts slipping away,
Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
De de de de de de day
De de de de de de day
De de de de de de day oh
Save the day
