

# Let's Pogo B4 U Gogo

## Mean Jeans

I feel as stupid like some bubblegum  
I feel as lonely as a cookie crumb  
Half-wasted and all alone, that's fine

You ain't leavin' for another day  
[Uhhhh]  
We'll pogo party in a major way  
Have fun

B4 I go-o-o  
Totally loco-o-o  
We can fall down and boogie like I'm five years old

### CHORUS:

Let's pogo b4 u gogo  
I can't believe you're leaving me behind  
Let's pogo b4 u gogo one last time (x2)

I ain't really good at anything  
But I can boogie like you've never seen  
Cuttin' rugs just like a jumping bean tonight

I hope you know I'm gonna miss ya  
I'll buy you dinner at the sizzler  
And get you twisted as a twister tonight

B4 u go-o-o  
Let's get loco-o-o  
We can dress up like monsters like I'm five years old

[CHORUS x4]

One more time!!

[instrumental]

B4 I go-o-o  
Totally loco-o-o  
We can fall down and boogie like I'm five years old  
Let's pogo, let's pogo, let's pogo

One last time [x4]
