

Girls on Film

The Wesley Willis Fiasco

[Originally by Duran Duran] See them walking hand in hand across the bridge at midnight

Heads turning as the lights flashing out are so bright

Then walk right out to the fourline track

There's a camera rolling on her back on her back

And I sense the rhythms humming in a frenzy

All the way down her spine Girls on film

Girls on film

Girls on film

Girls on film Lipstick cherry all over the lens as she's falling

In miles of sharp blue water coming in where she lies

The diving man's coming up for air

Cause the crowd all love pulling dolly by the hair, by the hair

And she wonders how she ever got here

As she goes under again Girls on film (two minutes later)

Girls on film

Girls on film (got your picture)

Girls on film Wider baby smiling you've just made a million

Fuses pumping live heat twisting out on a wire

Take one last glimpse into the night

I'm touching close I'm holding bright, holding tight

Give me shudders with a whisper take me high

Till I I'm shooting a star Girls on film (she's more than a lady)

Girls on film

Girls on film (see you together)

Girls on film

Girls on film (see you later)

Girls on film

Girls on film (two minutes later)
