Trapped

Circle Jerks

Trapped, I'm trapped
Trapped, I'm trapped
Trapped, I'm trapped
Trapped, I'm trappedWhat did I do to deserve this?
I've painted myself into a corner
What did I do to deserve this?
Painted myself into a corner, no windows, doors or a ladderTrapped, I'm trapped
Trapped, I'm trappedWhat did I do to deserve this?
Running down a black alley way
What did I do to deserve this?
Trash cans, chain link fence line the wayI'm trapped
I'm trapped
Trapped, I'm trapped
Trapped, I'm trappedWhat did I do to deserve this?
Dug a hole and there's nowhere to go
What did I do to deserve this?
Mental rut, I'm going nutsTrapped, I'm trapped
Trapped, I'm trapped
