Moonchild

I know it by heart
But I still like to read it from the start
Offering a remedy
Sweeter than he used to beSpend the love we saved, soon
Win the waiting game, soonI hope you're the same
Though I've seen everything around me change
Refuge in the memory
Sweeter than the truth to meSpend the love we saved, soon
Win the waiting game, soon
Hold on a little longer
Tired hands growing stronger
Hold on a little longer
Waiting for you
