Perfectly Imperfect

Sarah Geronimo

Oh Na Nana Nana
Oh Na NananaSee I don't expect you to listen
But I'm gonna tell you anyways
All those things that you feel like calling me
You're gonna say them anywaysWell, I no longer feel the need to impress ya
I'm doing this for myself
The walls are coming down and the gloves are coming o-o-off
So take your best shotI may not be nothin' perfect
But God knows that I've been trying so hard
If you can't accept me you ain't worth it
I'm flawed, I'm bent, and I'm proud of these scarsSay whatcha want about me
Say whatcha want about me
Say whatcha want about me
I am who I am and I be who I be
Say whatcha want about me
I'm perfectly imperfectOoh Na Nana Nana
Oh Na NananaSee, I don't thin you realize
(But I'm gonna tell you anyways)
Those evil things you say are like poison inside
(You're gonna say them anyways)Well, I no longer feel the need to impress ya
Intimidation done
The walls are coming down and the gloves are coming o-o-off
So take your best shotI may not be nothin' perfect
But God knows that I've been trying so hard
If you can't accept me you ain't worth it
I'm flawed, I'm bent, and I'm proud of these scarsSay whatcha want about me
Say whatcha want about me
Say whatcha want about me
I am who I am and I be who I be
Say whatcha want about me
I'm perfectly imperfectOoh Na Nana Nana
Oh NananaI may not be nothin' perfect
But God knows that I've been trying so hard
If you can't accept me you ain't worth it
I'm flawed, I'm bent, and I'm proud of these scarsSay whatcha want
Say whatcha want
Say whatcha want about me
Say whatcha want about me
I'm perfectly imperfect
