

# I Don't Believe You

## The Thermals

[uh oh oh] 2x  
[uh uh oh oh] 2x  
Say you're wasting away  
Say you're wasting your days  
I don't believe you  
Say you're going thru a phase  
You're acting your age  
I don't believe  
Oh  
There's nothing we can do  
If I don't believe you  
uh oh oh  
[uh uh oh oh] 2x  
Say you're feeling kinda ill  
You're just feeling rather sick  
I don't believe  
You're just feeling from the pill  
You just wanna make it stick  
I don't believe you  
Oh  
There's nothing we can do  
If I don't believe you  
Yeah  
Our history is incomplete  
[I don't believe you] 3x  
uh oh oh  
[uh uh oh oh] 2x  
Say you're wasting away  
Say you're wasting your days  
I don't believe you  
Say you're going far away  
Say you're leaving in day  
I don't believe you  
Oh  
There's nothing we can do  
If I don't believe you  
Our history is incomplete  
[I don't believe you] 3x  
Oh

uh oh oh  
[uh uh oh oh] 2x
