Crucify

Milez Benjiman

Every finger in the room was pointing at me, I wanna spit
In their faces then I get afraid of what that could bring
I got a bowling ball in my stomach, I got a desert in my mouth
Figures that my courage would choose to sell out nowI've been looking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands drive another nail in
Just what God needs one more victimWhy do we crucify ourselves?
Everyday I crucify myself
And nothing I do is good enough for you
I crucify myselfEveryday I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains"Got a kick for a dog begging for love
I gotta I have my suffering so that I can have my cross
I know a cat named Easter, he says, "Will you ever learn
You're just an empty cage girl if you kill the bird"I've been looking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands, drive another nail in
Got enough guilt to start my own religionWhy do we crucify ourselves?
Every day I crucify myself
And nothing I do is good enough for you
Crucify myselfEvery day I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains"Please save me, I cryLooking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands, drive another nail in
Where're those Angels when you need them?Why do we crucify ourselves?
Every day I crucify myself
And nothing I do is good enough for you
Crucify myselfEvery day I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains"Why do we crucify ourselves?
Why do we crucify ourselves?
Why do we crucify ourselves?
Why do we crucify ourselves?
Why do we crucify ourselves?Every day
