

# Confident (Gianni Kosta Remix)

Demi Lovato

(Are you ready? Ha) It's time for me to take it  
I'm the boss right now  
Not gonna fake it  
Not when you go down  
'Cause this is my game  
And you better come to play I used to hold my freak back  
Now I'm letting go  
I make my own choice  
Bitch, I run this show  
So leave the lights on  
No, you can't make me behave So you say I'm complicated  
That I must be outta my mind  
But you had me underrated  
Rated, rated What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident? It's time to get the chains out  
Is your tongue tied up?  
'Cause this is my ground  
And I'm dangerous  
And you can get out  
But it's all about me tonight So you say I'm complicated  
That I must be outta my mind  
But you had me underrated  
Rated, rated What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident? So you say I'm complicated  
But you've had me underrated What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being  
What's wrong with being confident?  
What's wrong with being, what's wrong with being

What's wrong with being confident?
