

What's It Gonna Be

Orianthi

Well he don't need me, Cause he wants to be free
Well he left me right out the door last night
But then he calls me, Cause he needs me
I feel torn inside
Chorus: So what's it gonna be this time
Cause all you wanna see is me cry
I don't wanna stay around
Cause all you do is keep bringing me down
So what's it gonna be baby now I don't need you, Cause I want this through
I left you with everything I could give
So then you text me, Cause you need me
I just wont Reply
Chorus: So what's it gonna be this time
Cause all you wanna see is me cry
I don't wanna stay around
Cause all you do is keep bringing me down
So what's it gonna be this time
Cause all you wanna see is me cry
I don't wanna stay around
Cause all you do is keep bringing me down He don't need me, Cause he wants to be free
He left me right...
Chorus: So what's it gonna be this time
Cause all you wanna see is me cry
I don't wanna stay around
Cause all you do is keep bringing me down
So what's it gonna be (gonna be) this time
Cause all you wanna see (wanna see) is me cry
I don't wanna stay (wanna stay) around
Cause all you do is keep bringing me down So what's it gonna be?
What's it gonna be
So what's it gonna be, alright, alright
