

# Take It All

## Third Day

All the promises I've broken.  
All the times I've let you down.  
You've forgot them, but still I hold on  
to the pain that makes me drown.  
Now I'm ready to let it go, to give it away.

Take it all, cause I can't take it any longer.  
All I have I can't make it on my own.  
Take the first, take the last, take the good and take the rest.  
Here I am, all I have, take it all.

All the roads that lie before me.  
All the struggles I go through.  
Every second a reminder that it all belongs to you.  
Now I'm ready to let it go, to give it away.

Take it all, cause I can't take it any longer.  
All I have I can't make it on my own.  
Take the first, take the last, take the good and take the rest.  
Here I am, all I have, take it all.

Ever since I died to myself  
you gave a better life to me.  
I give you my finest moment.  
I give you the last breath I breathe.

Take it all, cause I can't take it any longer.  
All I have I can't make it on my own.  
Take the first, take the last, take the good and take the rest.

Take it all, cause I can't take it any longer.  
All I have I can't make it on my own.  
Take the first, take the last, take the good and take the rest.  
Here I am, all I have, take it all.
