Advisory - the following lyrics contain explicit language:

You broke it, you bought it [x7][Verse 1:]  
Listen to me wanna tell you what I feel  
I never ever thought I'd be the one to feel  
Those feelings that, I never that I'd have  
Cause everything you felt is never coming back  
My heart's alone out there  
I wanna tell you but I'm too damn scared[Hook:]  
Guess there's no return  
Another lesson learned  
And I'm so so tired  
You use to look at no one else (I'm that girl)  
That you tryin to put back on the shelf  
You never showed me  
You never told me  
Why you, you[Chorus:]  
Shatter'd, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it  
Shatter'd, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it[Verse 2:]  
So listen to me, let me tell you what I mean  
I'm out of time, I'm out of heart, I'm out of me  
I gave up everything I had and now I'm living in the past  
You was so hot, you were so cold  
Why can't you see that I got no where left to go[Hook:]  
Guess there's no return  
Another lesson learned  
And I just wished you knew that you, was that guy  
How you always had the words to say (you're that guy)

That I thought would never get away  
You never showed me  
You never told me  
Why you, you[Chorus:]  
Shatter'd, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it  
(You took a piece of me with you)  
Shatter'd, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it  
(Why did you break my heart)[Bridge:]  
So many times I tried to talk  
But you never listened to me  
So many times you said I'm wrong  
But I couldn't see, no oh no  
You broke inside, controlled my mind  
Now that shadows all I see  
But when you went away  
You took a piece of me, with you  
And my heart[Chorus/Outro: Ad-lib]  
Shattered, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it  
Shatter'd, Shatter'd, Shatter'd my heart  
Shatter'd, Shatter'd, Shatter'd my heart  
When you broke it, you bought it  
When you broke it, you bought it
