

Tripping Out

Curtis Mayfield

umph....umph...umph!
I'm tripping out, I'm tripping out over you baby, over you baby
I'm tripping out, I'm tripping out over you baby, over you
Each day I'm not with you, is like a day without sunshine
I'm hung up on you baby, you've become a part of me - oowee
You're not like other girls or is it my imagination
This pounding in my heart, girl, it's all because of you You've got me...
Tripping out, tripping out over you baby, over you - little mama
I'm tripping out, tripping out over you baby, over you baby
Let me be your slave because I want to worship you
I'll do anything you say, anything you want me to do
To me you are a queen, and I'm your knight in shining armour
standing guard over the love, the love you've given me You've got me...
Tripping out, tripping out over you baby
I'm going crazy for you mama
I'm tripping out, tripping out over you, c'mon
c'mon
c'mon
It's a good feeling, ummmm hmmm, c'mon
all over you, all over you baby, c'mon
oowee, oowee
c'mon Each day I'm not with you is like a day without sunshine
I'm hung up on your love, you've become a part of me
To me you are my queen, and I'm your knight in shining armour
standing guard over the love, the love you've given me
