

Nobody to Love

The 13th Floor Elevators

I know you're tired of loving, of loving
With nobody to love, nobody, nobody 2x
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody I know you're tired of loving, of loving
With nobody to love, nobody, nobody. 2x
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody I know you're tired of loving, of loving 2x
With nobody to love, nobody, nobody
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody I know you're tired of loving, of loving
With nobody to love, nobody, nobody. 2x
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody.
