Shield Sword

Active Child

Climb down from your window
Tonight we lie as one
No sleep till tomorrow
The blinds will hide us from the sunOh, below ... the sheets we meet
Ooh, nobody knows where we'll beShield your sword from all of those unknown
Protect as if you're in a fire amongst the flames as they whip ... and try to burn youI'll let you know, that i know, that you're in a fire
I'll let you know, that i know, that you're in a fire
