

# Just a Lover

Hayden James

[Verse 1]

It could be so simple  
I could be so true to you  
You were just a lover  
In my heart, in my heart  
You were temporary  
You were just another  
You were just a lover  
I can't bare for you to leave

It could be so simple  
I could be so true to you  
You were just a lover  
In my heart, in my heart  
You were temporary  
You were just another  
You were just a lover

I can't bare for you to leave[Chorus]

In my heart, you were just a lover  
In my heart, you were just a lover  
In my heart, you were just a lover

I can't bare for you to leave  
In my heart, you were just a lover  
In my heart, you were just a lover  
In my heart, you were just a lover  
I can't bare for you to leave

In my heart

In my heart, you were just a lover  
In my heart, you were just a lover

I can't bare for you to leave[Bridge]

You were just a lover  
You were just a lover  
You were just a lover

You were just a lover[Verse 2]

It could be so simple  
I could be so true to you  
You were just a lover  
In my heart, in my heart  
You were temporary  
You were just another

You were just a lover  
I can't bare for you to leave  
It could be so simple  
I could be so true to you  
You were just a lover  
In my heart, in my heart  
You were temporary  
You were just another  
You were just a lover  
I can't bare for you to leave
