Whisper (ft Keith Sweat)

Charlie Wilson

I wanna whisper
I wanna whisper
I got something to say to you
I wanna whisper in your earToday seems like a perfect day
To say what I've been wanting to say
Don't worry baby it's okay
Everything is just greatI ain't ashamed to say how I feel
When it comes down to you
So many ways to communicate
For me it's only one wayI could send it in a letter
I could text your phone
Hit you up on twitter 'cause you stay logged on
Even fly a plane right there in the sky
But it's better girl if II wanna whisper
I wanna whisper
I got something to say to you
I wanna whisper in your earNow it might be naughty to focus on your body
But girl I'm really feeling you
A lot of guys be joking and they won't stop it
And they don't need to lie I got you my babySee with you baby
I need to touch and feel you baby
I put my arms around you
To hold your body gluedI could send it in a letter
I could text your phone
Hit you up on twitter 'cause you stay logged on
Even fly a plane right there in the sky
Girl but it's better if II wanna whisper
I wanna whisper
I got something to say to you
I wanna whisper in your ear
I wanna whisper
I wanna whisper
I got something to say to you
I wanna whisper in your earWanna tell you babe
Oh ye girl
Coming in with me tonight yeah
Come with me right now , right now my baby
Say the word yeahI wanna whisper
I wanna whisper

I got something to say to you
I wanna whisper in your ear
I wanna whisper
I wanna whisper
I got something to say to you
I wanna whisper in your ear
