

Everybody's Laughing

[Billie Holiday](#)

See the house lights start to blink
And the sky is turnin' pink
Gosh what will the neighbors think
Cause here it is tomorrow again We could share a perfect day
But we've danced the night away
Guess you'd better hit the hay
Cause here it is tomorrow again We saw the sunset in the sky
Soon we'll see the dawn
Mother Nature's about to rise
And Father Time is marchin' on Did you hear my daddy yell?
We've been leaning on the bell
Kiss me quick and run like sixty
Because here it is tomorrow again
