

Kings and Queens (Unplugged)

Thirty Seconds to Mars

 Into the night
 Desperate and broken
 The sound of a fight
Father has spokenWe were the kings and queens of promise
 We were the victims of ourselves
 Maybe the children of a lesser God
 Between heaven and hell
 Heaven and hellInto your eyes
 Hopeless and taken
 We stole our new lives
 In defense of our dreams
In defense of our dreamsWe were the kings and queens of promise
 We were the victims of ourselves
 Maybe the children of a lesser God
 Between heaven and hell
 Heaven and hellThe age of man is over
 A darkness comes at dawn
 These lessons that we learned here
Have only just begunWe were the kings and queens of promise
 We were the victims of ourselves
 Maybe the children of a lesser God
 Between heaven and hellWe are the kings
 We are the queens
 We are the kings
 We are the queens
