

Unclean

Hurt

you'll always have my love,
even though you loved with nothing
'cause i was dumb enough
to let you slip right through you touched and you moved me
you don't care about me
i feel so, so dirty
don't touch me
i'm unclean again and i will hold the grudge
for the ones who left me broken hearted
when i was stupid enough
that i believed in you you touched and you moved me
you don't care about me
i feel so, so dirty
don't touch me
i'm unclean again and i wish you would remember when
i wish you would remember when
i said i-
and i wish you would remember when
i wish you would remember when
i said i-tell me all your needs
give me all your needs
show me on your knees
suck it down, disease you touched and you moved me
you don't care about me
i feel so, so dirty
don't touch me
i'm unclean again and i wish you would remember when
i wish you would remember when
i said i-
and i wish you would remember when
i wish you would remember when
i said i-
