## Unclean

## Hurt

you'll always have my love, even though you loved with nothing 'cause i was dumb enough to let you slip right throughyou touched and you moved me you don't care about me i feel so, so dirty don't touch me i'm unclean againand i will hold the grudge for the ones who left me broken hearted when i was stupid enough that i believed in youyou touched and you moved me you don't care about me i feel so, so dirty don't touch me i'm unclean againand i wish you would remember when i wish you would remember when i said iand i wish you would remember when i wish you would remember when i said i-tell me all your needs give me all your needs show me on your knees suck it down, diseaseyou touched and you moved me you don't care about me i feel so, so dirty don't touch me i'm unclean againand i wish you would remember when i wish you would remember when i said iand i wish you would remember when i wish you would remember when
