

Shotgun Down the Avalanche

[Shawn Colvin](#)

I'm riding shotgun down the avalanche
Tumbling and falling down the avalanche So be quiet tonight the stars, shine bright
On this mountain of new fallen snow
But I will raise up my voice into, the void
You have left me nowhere to go I love you so much and it's so bizarre
A mystery that goes on and on and on
This is the best thing and the very most hard
Oh, and we don't get along After countless appeals we keep spinning our wheels
On this mountain of new fallen snow
So I let go the catch and we are over the edge
You have left me nowhere to go I'm riding shotgun down the avalanche Sometimes you make me lose my will to
live
And just become a beacon for your soul
But the past is stronger than my will to forgive
Forgive you or myself, I don't know I'm riding shotgun down the avalanche
Tumbling and falling down the avalanche So be quiet tonight, be sure to step lightly
On this mountain of new fallen snow
But I will raise up my voice into the void
You have left me nowhere to go I'm riding shotgun down the avalanche
