

Home (feat. Casey Lee Williams)

Jeff Williams

Hush your cries
Close your eyes
Stay with me
Let's just dream
Quietly
Of what might be Calm your fear
I'll be near
To you
I'll cling
Rest my friend
Time can mend
Many things
I don't know the answers
Tomorrow's still unknown
But I can make this promise
You won't be alone I don't know where we should go
Just feeling farther from our goal
I don't know what path we will be shown
But I know that when I'm with you
I'm at home
Yes, I know that when I'm with you
I'm at home There's a quiet place
In my embrace
A haven of safety where
I'll dry your tears
Shelter here
In my care
But even when we stumble
And someday when we fall
What I will remember
That I had you through it all I don't know where we should go
Just feeling farther from our goal
I don't know what path we will be shown
But I know that when I'm with you I'm at home
Yes, I know that when I'm with you I'm at home
Yes, I know that when I'm with you I'm at home
