Goodly Heritage

The Manaraze Family

I may not have riches as some others may
But i have a mother who knows how to pray
And maybe there are some things Iâ€™ve missed in my youth
But i have a father who stands for the truth

(Chorus)
I have a goodly heritage
Iâ€™m blessed with things you canâ€™t see
I have a goodly heritage
And that is worth far more to me

And if in the future my parents pass on
To dwell in that city we come to call home
They may not leave me the goods of this world
But we have accepted there God and His Word

(Chorus)
I have a goodly heritage
Iâ€™m blessed with things you canâ€™t see
I have a goodly heritage
And that is worth far more to me
And that is worth for more to me
