She Acts Like You

Lindsey Buckingham

Baby, look me in the eyes
Baby took me by surprise
She could never find the voice
That's because she had no choiceOh, so disinterested
All dressed up in blueBaby never hears a sound
Baby never comes around
Had enough of all the toys
She sits alone above the noise
Oh, so disinterested
All dressed up in blueI'd like to set her free
From everything I see
When she acts like meOh, so disinterested
All dressed up in blue
Oh, so disinterested
All dressed up in blue
All dressed up in blue
All dressed up in blue
